2. Course Curriculum Feedback by Teachers

- The feedback analysis reveals above-average results, underscoring notable strengths and positive trends within the evaluated criteria.
- Acknowledging the efforts of individuals and teams, the report emphasizes specific successes and initiatives that garnered particularly positive feedback.
- The analysis demonstrates a clear alignment with organizational goals, showcasing the impact of these strengths on overall success.
- Recommendations are provided to sustain and build upon these positive outcomes, ensuring a strategic approach to maintaining the organization's positive trajectory.
- The report concludes with confidence in the team's ability to continue excelling based on the identified strengths.

Thanking You,

Academic team

3. Course Curriculum Feedback by Alumni

Following are the concern raised:

- Programme was helpful in improvement of personality and knowledge. – Analysis index is 6.46.

Following are the Actions Taken:

Concern area from the feedback from Teacher's	Action taken
Programme was helpful in improvement of personality and knowledge. – Analysis index is 6.46.	<ol style="list-style-type: none">1. Recognizing the importance of soft skills in personality development, we propose to intensify efforts to embed comprehensive soft skills development within the curriculum. This shall include targeted modules focusing on communication, leadership, and interpersonal skills.2. We propose to plan strategic initiatives to further engage alumni in networking activities. This will provide current students with valuable insights and guidance, contributing to both their professional and personal development.

Thanking You,

4. Course Curriculum Feedback by Employer

- The feedback analysis reveals satisfactory results, underscoring notable strengths and positive trends within the evaluated criteria.
- In response to the satisfactory feedback, we will be actively working on further enhancing our curriculum. We will focus on integrating the latest industry trends, technologies, and sustainability practices into the coursework to ensure our students remain at the forefront of architectural innovation.
- To sustain and build upon our curriculum's success, we plan to establish stronger partnerships with industry professionals for guest lectures, workshops, and collaborative projects. Additionally, we will encourage faculty members to engage in professional development activities to stay abreast of emerging trends and practices.

Thanking You,
